Portfolio: maxs-myportfolio.vercel.app/

Objective: *Efficient, dedicated and trustworthy software developer. Passionate about the world of tech – constantly in motion - in which I am always looking for opportunities to grow and keep learning. Looking forward to giving my best I have to offer to your company!*

Education

College in Aix-en-Provence/Marseille, France

2009 to 2015

Majored in Biology and Philosophy.

Burlington Code Academy – Upright education

Feb.2022 to May. 2022

480 hours of curriculum and coding focused on testing and deploying software applications using JavaScript on the client and server side of applications. Studied complex programming concepts solidified through challenges such as pair programming, weekly projects, lab exercise, and code reviews.

Skills

■ **Tech: JavaScript, HTML, CSS, React, Git, MongoDB, Agile**
